THE RU GLASS COLLECTION

An elegant yet simple glass collection. The hand blown leaded crystal was designed for everyday use as well as more formal settings. Influenced by Viennese Secession movement, it is crafted using traditional methods in the heart of the Hungarian glass blowing district. Useful on bedside, desk or dining.

Manufactured in Transdanubia with a heritage stretching back to 1878, the crystal used is manufactured using environmentally friendly processes in a factory that has modernised throughout the 20th century
